

The Schweizer brand house

1 mission, 3 brand values, 3 core competencies

Schweizer

Our mission

Building today
for tomorrow's
Generation

Our values

Quality

We have stood for excellent quality and aesthetic solutions for over 100 years.

Sustainability

Our products contribute to the energy transition and are manufactured in a socially and ecologically responsible manner.

Innovation

We are quick to identify opportunities and demands on the market and have continually reinvented metal construction over the past 100 years.

Our core competencies

Windows systems

Our comprehensive expertise in windows systems is expressed in wood/metal window systems for window fitters and innovative aluminium folding and sliding walls.

Mail boxes and parcel boxes

Our mail and parcel boxes provide Switzerland with smart logistics solutions, 24/7 and right in front of your own door.

Solar systems

Schweizer systems integrate innovative solar energy in every building all over Europe.
